

Starting on March 18, 2024 construction will take place along the West Mall Road. Due to this, the following temporary closures and reductions will occur from March 18 – April 1, 2024:

- **Temporary closure of the West Mall bus stop**
 - The bus stop located outside of the new parking garage will still be available and operational, as well as the one located off of Sherway Drive.
- **Temporary lane reduction on West Mall Road**
 - Sidewalk, curb, and asphalt work will be taking place along the road, requiring the closure of a single lane (approximately from the loading dock entrance lane down to the Sherway Drive entrance to Queensway Health Centre).

**Please refer to the map below, which notes the areas of impacts*

We are committed to continuing to provide the highest quality of care while ensuring a positive patient, family, and provider experience throughout these construction activities and would like to thank all of you for your continued patience, understanding, and support as we work on building a stronger community, together. If you have any questions or concerns, please contact ask@thp.ca
