Subject: Speakman Drive Long-Term Care Homes – Update

Dear residents,

We wanted to provide you with an update on the long-term care homes project on Speakman Drive. In order to maintain our construction schedule, our construction partner EllisDon has applied to the City of Mississauga for an exemption to the noise bylaw. The exemption request is to allow construction to occur between the hours of 6am – 11pm, for a period of six months beginning January 10, 2022.

You will receive the formal notice of this application this week. The notice will include instructions on how to submit your feedback to the City of Mississauga.

We are planning another **Virtual Town Hall in early 2022** to share more details about the construction schedule and to respond to any questions you may have. We appreciate your ongoing patience and understanding as we work to complete these important long term care homes that will benefit our community for years to come.
